REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

Saco Valley Fire Association

Serving North Fryeburg, Stow & Chatham - Dial 911

1996 was a year of change for our department. We elected a new chief and also new officers of the Corporation. We were fortunate to have two fire-fighters return and four new members join the department. You will notice that the total operating budget has increased by about ten percent. This is due entirely to Workmen's Compensation Insurance, which is required by State law. To prevent a possible lapse in coverage, the policy has been purchased by Saco Valley Fire Association. 911 is operational now and the 697-3355 number will be discontinued soon.

The following calls kept us busy: North Fryeburg - 19, Stow - 4, Chatham - 9, Fryeburg - 3, East Conway - 2, and 28 times we went to the station to stand by, ready to help other departments if needed. One truck was at the Fryeburg Fair for the week, assisting Fryeburg Fire Department. We were also able to continue our training program.

Chief Tommie McKenzie submitted his letter of resignation at our annual meeting in August. He spent a lot of time and energy bringing the department up to date and we would like to thank him for his contributions.

In closing, the members of the Saco Valley Fire Association would like to thank you for your support and encouragement, and again remind you that 911 is our new number for fire emergencies.

Sincerely,
Chief Webster Fox &
The Board of Directors

MINUTES OF CHATHAM SCHOOL DISTRICT MEETING
March 12, 1996, 8:30 p.m.

This year's school board meeting began one hour late starting at 8:30 p.m.

Article 1 - Frank Eastman was reelected for another two year term as Moderator. Won by a show of hands.

Article 2 - Waneeta Marquis was reelected for the ensuing year as clerk. Won by a show of hands.

Article 3 Susan Perry was reelected for a new three year term as chairperson for the school board. Won by a show of hands.

Article 4 - Louise McKenzie was reelected for the ensuing year as Treasurer. Won by a show of hands.

Article 5 - Deborah Montgomery was newly elected as Auditor for the ensuing year. Won by a show of hands.

Article 6 Additional money was raised and appropriated totaling \$37,691.00 as a supplemental/deficit of tuition expenses for 1995-96. This would be achieved with \$19,246.00 from the 1996 National Forest Funds with the remaining amount of \$18,445.00 to be generated by taxes.

Article 7 - This year's school budget of \$343,512.00 was appropriated for the 1996-97 school year. This budget covers all expenses that may come due before it.

There was discussion this year about determining whether or not a census would be a benefit to the Town. The discussion concluded that indeed a census would be a benefit and it was the school board's responsibility to appoint someone to take a census of residents, primarily children birth to age 21. This being a helpful tool and a guide for future school budgets. This census would be completed by October 15 of each year.

There was discussion about the increased property taxes to accommodate the increase in the school budget. Yikes! This would increase the tax base from \$15.00 a \$1,000 to \$22.00 a \$1,000, an increase of \$7.00 a \$1,000.

Article 8 - No new business at hand or further discussion the motion to adjourn was made and seconded; we adjourned. Passed by a show of hands.

Respectfully submitted,
Waneeta Marquis
School District Clerk

INDEPENDENT AUDITOR'S REPORT

To the Board
School Administrative Unit #9
Conway, New Hampshire

We have audited the accompanying general-purpose financial statements of the School Administrative Unit #9 as of and for the year ended June 30, 1996, as listed in the table of contents. These general-purpose financial statements are the responsibility of the School Administrative Unit #9 management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; *Government Auditing Standards*, issued by the Comptroller General of the United States; and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments." Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit #9 as of June 30, 1996, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued a report that is dated August 19, 1996 on our consideration of the School Administrative Unit #9 internal control structure and a report that is dated August 19, 1996 on its compliance with laws and regulations.
